

Guidelines for End Term Examination

Exam Paper Pattern- MCQ

Kindly Refer to the question paper type for your registered theory courses from UMS seating plan under the path

UMS Navigation-----→ Examination System ----- → Exam Seating Plan

1. The End Term Test shall be held in the online mode and students have to use the **URL: myclass.lpu.in** to approach the platform for the test.
2. The **user name** for the test is your registration number and **password** for the test is same as that of the UMS.
3. **Pattern of Examination:** The examination shall have **45 MCQ questions** in the following pattern:-

Syllabus	No of Questions
Unit 1	5
Unit 2	5
Unit 3	5
Unit 4	10
Unit 5	10
Unit 6	10

- a. All questions shall be compulsory.
 - b. The total duration of the examination shall be 1 Hour and 30 Minutes (90 Minutes)
 - c. Each question shall be of 1 mark and there shall be a **negative marking of 0.25 marks for each wrong answer given by the student.**
4. **Conduct of Examination:**
- a. All questions shall be displayed to the student in the sequential **order** (i.e. Q. No. 1 followed by Q. No. 2 followed by Q. No. 3 so on). The display shall be one way which means that the student **won't be able to come back to any previous question**. This means that all questions shall be displayed to the student in forward uni-directional order. However, in case the student does not want to attempt a question the student can skip the question by clicking the next button but in such a case at any later stage the student won't be able to come back to that skipped question.
 - b. A student shall be allocated 2 minutes (**timer monitored**) for attempting each question. In this regard the student should note the following:
 - i. After completion of the stipulated time (2 minutes) allocated for a question or after successfully attempting the question the student shall be automatically moved to the next question.
 - ii. Time saved (from the stipulated time of 2 minutes) for a question shall not be available for the upcoming questions.

- c. The student should be presentably attired while appearing for exam.
- d. Keep the **web cam switched on** during the complete duration of exam.
- e. Do not lie down on sofa or bed. Sit straight on a table/chair.

Once the student has reached the next question, the student shall not be able to move to the previous question.

5. The student can attempt the Examination through any of the following two modes:

The student can attempt through either of the two modes:

Mode1: Through Laptop/Desktop

Mode 2: Smart Phone (By using the browser of the smart phone)

Details of browser are as mentioned:

Operating System	Browser Type
Windows	Google Chrome 80+ /Edge Browser 80+
Linux	Google Chrome 80+
Mac OS	Google Chrome 80+
Android	Google Chrome 80+
IoS	Safari 13.0 or Above

However, it is advisable that the student attempts the Examination through Mode 1 i.e. Laptop/Desktop. This shall give optimum opportunity to the student to properly view the questions (which may include diagrams/images/case studies etc. requiring scrolling).

6. Requirement of Examination: Find below the list of certain basic infrastructure requirements for attempting the examination.

- a. Laptop/Desktop with minimum 4GB RAM.
- b. Uninterrupted Active Internet connection of 2-3 Mbps speed. The students are advised to have also provisions for a backup internet connection.
- c. For students attempting through smart phone should use smart phones with minimum 2GB RAM.
- d. Charging facility along with electricity backup for the duration of examination.
- e. Working webcam of good resolution.
- f. Allow to access camera and microphone.
- g. Basic examination stationary including pen, pencil, A4 size sheets, calculator, water bottle etc.
- h. An isolated place with no distraction and proper lighting in the examination area.

7. Proctoring of Examination: The examination to be conducted shall be proctored and there shall be continuous monitoring of candidates appearing in the examination by allocated faculty members. The faculty members shall **continuously view the allocated students for invigilation for the complete duration of the Examination**. In this regard the students shall ensure the following:

- a. The webcam of the student is on and sending images during the complete duration of the examination failing which the student shall be disqualified from the examination and shall not be allowed to continue his/her examination.
- b. In case the student attempts to navigate away from the examination window, examination of the student shall be auto terminated.
- c. In case a student is found using any unfair means during the examination by the proctor including calling, messaging, using any other device the same shall be treated as an unfair means case and necessary disciplinary action shall be taken.
- d. In case the students are found misbehaving with proctoring Faculty or seeking any unnecessary help, such a student shall be disqualified from the examination.
- e. Further, all students are hereby informed that if anyone is found involved in any act that amounts to “Unfair Means Case”, then his/her university scholarship shall stand cancelled the for rest of the programme duration along with inviting penal action as per university regulations.**

Note: - Before attending the examination on LPU MyClass, you are advised to view the following videos for better understanding on how to appear in this online examination platform:
