- c. **Section-A comprises of 20 MCQ's.** Each question shall be of 02 marks and there shall be a **negative marking of 0.25 marks for each wrong answer given by the student.**
- d. **Section-B comprises of 3 subjective questions.** Each question shall be of **10 marks**

4. Conduct of Examination:

- a. **For Section-A**, all M C Q ' s questions shall be displayed to the student in the sequential **order** (i.e., Q. No. 1 followed by Q. No. 2 followed by Q. No. 3 so on). The display shall be one way which means that the student **won't be able to come back to any previous question**. This means that all questions shall be displayed to the student in forward uni-directional order. However, in case the student does not want to attempt a question the student can skip the question by clicking the next button but in such a case at any later stage the student won't be able to come back to that skipped question.
- b. **For Section-A**, a student shall be allocated **3 minutes** (timer monitored) for attempting each MCQ ' s question. In this regard the student should note the following:
 - i. After completion of the stipulated time (**3 minutes**) allocated for a question or after successfully attempting the question the student shall be automatically moved to the next question.
 - ii. Time saved (from the stipulated time of 3 minutes) for a question shall not be carry forwarded for the upcoming questions.
- c. **For Section-B**, the total duration of subjective examination shall be of **2 Hours (120 minutes, approximately 35 minutes to attempt each question and 15 minutes to upload the photograph of the answer sheet for all of the attempted questions)**
- d. It is mandatory to keep the **web cam switched on** during the complete duration of exam, failing which UMC shall be made against the student.
- e. The student should be presentably attired while appearing for exam.
- f. Do not lie down on sofa or bed. Sit straight on a table/chair.
- g. Don't use headphone while attempting the exam.
- h. The student shall appear for the online exam sitting alone in a well-lit room with no background noise during the entire process of the exam.

Note: Once the student has reached the next question, the student shall not be able to move to the previous question.

5. The student can attempt the Examination through any of the following two modes:

Mode1: Through Laptop/Desktop

Mode 2: Smart Phone (By using the browser of the smart phone)

Details of browser are as mentioned:
